## rectools product of the week.

### Hinterview

Video Tools

Hinterview is a world-class video platform built by recruiters, for recruiters. Take your recruitment process to the next level within the world of remote work without sacrificing the personal touch. Improve candidate experience, attract diverse top talent and reduce your workload with video recruitment. Not only are we best-in-class for GDPR-compliance but our platform has been built with a commitment to privacy and data security. Our customer success team is unrivalled offering effective training to ...
